### Course Description: Porlock Toll Road Hill Climb Course UH10 (amended August 2014)

Start: Approximately 150 Metres up the Toll Road from where it leaves the A39 Porlock Hill main road, by the two garages on the left hand side and opposite the Village Hall Car Park entrance on the right hand side. Proceed up the Toll Road for 4.2 miles to the finish which is approximately 200 metres short of the road junction where it rejoins the main A39 Porlock to Lynmouth road. The finish is located by a defined dip in the grass bank on the left and opposite a similar gap in the beech hedge with a dip on the right. Please note that there is a cattle grid after approximately 2.25 miles which can be slippery when wet.

### Important Course Information:

The Toll Road will be closed to the general public from 8.00am - 3.00pm, from just before the start line to the finish. However, there are residents whose properties are located close to the course who may require access to the Toll Road during the event. Therefore, while Minehead CC have made residents aware of the event please be aware that there may be vehicles entering the Toll Road and you must ride in accordance with the Highway Code.

When descending ride slowly and keep to the left hand side. Keep to the left of cones and obey marshals to avoid other competitors.

### Competitor Notes:

1. On entering the Porlock Village you will be directed to Porlock Recreation Ground where competitor parking, changing facilities and toilets are located. Porlock Recreation Ground is approximately 500 m along Parsons Street, to the south west side of the Church in the centre of the village. Postcode TA24 8QJ. Please park in rows as directed or following existing parking pattern.
2. Event HQ will be at the Porlock Village Hall situated at the junction of the Toll Road with the A39 at the west end of Porlock, see map above. Please allow 5 minutes to ride from the Recreation Ground to the start.
3. Signing on and race numbers will be available at the Event HQ Porlock Village Hall 8.30am. Please note no parking, or changing facilities are available at the Hall, however Porlock Ladies will be serving teas, coffee and refreshments.
4. Please remember if you do not sign on, no ride. As per recent CTT guidance please also SIGN OUT at the Village Hall once you have completed your ride.
5. The Toll Road will be closed to all traffic from 8.30am on the day of the race. You are welcome to ride the course prior to this but please be aware that there is a £1 Toll fee for bicycles.
6. All riders other than those racing must be off the Toll Road by 9.15am at the latest.
7. A box will be located at the start ramp for clothing that will be transferred to the finish area at regular intervals. Please note the event does not take any responsibility for loss or damage of clothing.
8. Prize giving for the event, and also the Minehead Merlins Go rides, will be at Porlock Village Hall from 1.00pm
9. Many competitors will wish to use their garmins or other personal timing devices during the Hill Climb. You are free to do so, provided use does not impact or impede the enjoyment of the event upon other riders or members of the public. However, no times other than those confirmed by the official timekeepers will be accepted for the event and the timekeepers decision is final.
